

## 20 HOUR BASIC FIREARM TRAINING

SDSA provides the basic firearm training necessary to obtain a Firearm Authorization Card. Our course offerings enable the student to acquire fundamental skills or build on existing skills.

Basic Security Handgun Course  
(20 hrs.)

---

Course content includes: the basics of ammunition and firearms nomenclature; firearm safety; firearm malfunction; legal ramifications of firearm ownership and security operations; firearm maintenance; ethics of firearm ownership and use; and basic principles of marksmanship. To complete the course, students will qualify on the State of Illinois mandated firearm qualification course, at the marksman level.
